PHOTOGRAPHY

Every Wedding is a tremendous occasion. Jeff brings his extensive experience to bear in capturing all the love, energy, and humor of the entire event - from arriving at the church to leaving the reception - with multiple cameras, a lively personality, and an artistic eye.

Continue to relive your Wedding Day with the best possible photography, including:

- **Classic Portraits** – The people and details of the day leading up to the ceremony are recorded with selective use of Black & White film photography.
- **Complete Coverage** - The entire event is captured using high resolution, digital photography.
- **Shared Memories** - Albums of the digital photographs will be viewable online.

With jeffrey keesee PHOTOGRAPHY, you get:

- **Film** – Portfolio of 3-6 rolls of 36 exp. Black & White film with contact sheets. Memories recorded on celluloid film last more than a hundred years!
- **Digital** – CDs of 400-600 digital, high-resolution .JPG format photos. Quick, easy, fun to share.
- **Online** – Photos uploaded to a retail website (i.e. www.shutterfly.com) with email linked, sharable access.
- **Color Proofs** – Photo album of selected 300 digital photos in 4x6 format, accompanied by sleeved, remaining proofs.
- **Black & White Album** – Classic, black paper album with forty (40) 5x7 Black & White prints
- **Time & Experience** – Eight (8) hours of photography covers preparation at the church, the ceremony, family portraiture, arrival at the reception, and the departure.
